### Writing

Students have chosen a movement/era to research for their opinion piece. They chose between: the Industrial Revolution, Women's Suffrage & the Civil Rights Movement. Students will be researching the causes, details, important people & their contributions and the consequences of the movement/era.

### Social Studies

Much of writing and social studies will be incorporated in this unit as students research movements/eras that impacted the U.S. We will also learn about other movements, reforms and eras together, such as the Gilded Age and the Progressive Era.

### Math

We will be focusing on volume, working on understanding the concept as well as working on the formula. The test will be on Tuesday, March 6th.

### Science

In science we are continuing to understand matter in its different forms. What is matter, how does it change and what can cause it to change?

### Reading

We will be answering reading response questions within 2 texts next week. We will also review theme and then will be taking our literary mid-test.
