Writing

Students will choose one of the historical eras that we have studied in which to set the story of their historical fiction piece. Then we will be thinking of characters, the problem and the resolution for the narrative.

Social Studies

For the last quarter of 5th grade, we will be studying World War I, The Great Depression and World War II. It's going to be a great unit with a lot of information! This week we are continuing our study of WWI.

Math

This week we will be focusing on patterns and algebraic expressions. We'll also be learning about the Order of Operations (PEMDAS).

Science

In science we are continuing to understand matter in its different forms. What is matter, how does it change and what can cause it to change?
